20 October 1967

## MEMORANDUM FOR THE RECORD

SUBJECT : USIB Request for NRO Briefing on Status  
of Actions to Meet Mapping, Charting and  
Geodesy Requirements

REFERENCE : USIB-D-46.8/18, 12 October 1967, [ ]

25X1

1. [ ] Deputy Director, NRO, phoned this morning  
to advise that he had checked with General Berg regarding an NRO  
response to the subject USIB request.

2. General Berg said that he had discussed this request with  
[ ] who recognizes the priority of this problem. [ ]  
stated that, when he is satisfied with the information being developed  
by NRO to respond to the USIB request, he will transmit it to the  
Board.

3. [ ] understood that it would be at least two weeks  
before the NRO response was ready, and that he would keep me  
advised.
